MILWAUKEE RADIO AMATEURS CLUB
711 Kenwood Blvd.,
Milwaukee, Wis.

Gentlemen :-

Card of Thursday night's meeting was received - as was also a radiogram from Schnell to 9APY stating the talks of next meeting would be by Mr. Schnell of NRRL and by A-3JU.

Will be impossible for the writer to attend the meeting as much as he would like to, Perhaps a few of the other members of the CRTA may come up, but as we have no meeting this week, word cannot be given to all the club here.

We would indeed like to have Mr. Hull A-3JU give his talk to the CRTA next week Thursday if it is possible for him to be here. If he can possibly attend our meeting, we would consider it a great favor if you would so advise him and get in touch with our secretary, as in the heading above.

Thanking you and sincerely hoping Mr. Hull will find it possible to come to Chicago, we wish to remain,

Very truly yours,

CHICAGO RADIO TRAFFIC ASSOCIATION

FJH

Regards to Schnell.
